Payments received after thirty (30) days will be subject to an interest charge of 1.25% per month. Payment shall be made to the address set forth in such invoice. Customer may reject the terms of any Change Notice and terminate this Agreement in writing effective as of end of the then-current term provided Customer delivers notice of such termination to Agility at least thirty (30) days prior to the expiration of then then-current term. If the Customer accepts the terms of the Change Notice or does not respond to Agility within the applicable time period (which shall constitute deemed acceptance), then this Agreement shall continue subject to the revised terms of the Change Notice.

7. Confidentiality

Customer agrees to regard and preserve as confidential all information related to the business and activities of Agility and its affiliates that may be obtained in connection with this Agreement, including, without limitation, all information regarding pricing of Services, the Product, the Software and all systems and methodologies utilized by Agility in connection with the Services (the “Confidential Information”). Customer agrees to hold such Confidential Information in trust and confidence for Agility and not to use any such Confidential Information to its own benefit, or to the benefit of any other party, unless authorized in writing by Agility. For clarity, Customer agrees that it will not at any time pass, either directly or indirectly, to any competitor or potential competitor of

Agility and the Services offered by Agility, any Confidential Information provided by Agility to Customer in connection with the Services, or any other information concerning Agility, the Services (including, for clarity, the Software and Product) or its system or methodologies.

Confidential Information shall not include information that is: (i) already known free of any restriction at the time it is obtained as evidenced by written records; (ii) subsequently learned from an independent third party free of any restriction; or (iii) available publicly.

8. Intellectual Property Rights; Ownership; Material Submissions

- (a) The parties recognize and agree that nothing contained in this Agreement shall be construed as granting or conferring any rights, by license or otherwise in any Confidential Information disclosed pursuant to this Agreement, or under any trademark, copyright or any other intellectual property right, unless expressly agreed to in writing by the parties. All Confidential Information belonging to a party prior to the signing of this Agreement shall remain the property of that party.
- (b) Agility reserves and will own all right, title and interest (including, without limitation, any and all intellectual property rights) in and to (i) any computer programs, software, processes, procedures, systems, technologies, platforms, techniques, ideas, designs, know-how, data, information, reports, documents, and other items expressed, conceived, developed, created, reduced to practice or acquired by Agility prior to the provision of Services to you, or during the term of the provision of Services but outside the scope of the Services (the "Agility Materials"); and (ii) any improvements, discoveries or inventions relating to the Agility Materials whether or not patentable or copyrightable and whether or not reduced to practice, that are created, conceived, developed, discovered, invented or made by or for Agility, at any time.
- (c) Customer is responsible for and, as between Customer and Agility, retains sole ownership in all Content and materials it uploads to or transmits

via any Product provided by Agility to Customer in connection with the Services (the "Customer Materials"). Customer agrees that it will not upload or transmit any Customer Materials to or via any Agility Product for which it does not have all the rights, clearances, permissions and licenses required by applicable law. Customer also agrees that it will not upload or transmit any Customer Materials to or via any Agility Product that are inappropriate, libelous or obscene, that violate any law, regulation or policy, or that contain any viruses or harmful technologies. By uploading or transmitting the Customer Materials to or via any Agility Product, Customer is representing and warranting that it is either the sole owner of the Customer Materials or that it has all the rights, clearances, permissions and licenses required by applicable law to do so.

- (d) Customer shall promptly notify Agility in the event that it becomes aware of any unauthorized use of the Services or any actual or suspected infringement of Agility's intellectual property rights.

9. Representations and Warranties

Customer represents and warrants that: (i) it will not, directly or indirectly reverse engineer, decompile, disassemble or otherwise attempt to discover the Product or any associated Software; modify, translate, or create derivative works based on the Product or any associated Software, or components thereof; extract or utilize any data from the Product or any associated Software (except as expressly contemplated by this Agreement); or remove any proprietary notices or labels; (ii) it will comply with the terms and conditions of this Agreement and any applicable Order; and (iii) it will comply with all applicable laws and regulations regarding the use, transmission, handling, security and privacy of any Content.

10. Warranty and Disclaimer

Agility shall use reasonable efforts consistent with generally acceptable industry standards to maintain the Services in a manner that minimizes errors and interruptions in the Services. Services may be temporarily unavailable for scheduled

maintenance or for unscheduled emergency maintenance, either by Agility, one of its affiliates, or by third-party providers, or because of other causes beyond Agility's reasonable control, but Agility shall use reasonable efforts to provide advance notice of any scheduled service disruption.

NOTWITHSTANDING THE ABOVE, AND TO THE EXTENT NOT PROHIBITED BY LAW, AGILITY AND ITS AFFILIATES MAKE NO EXPRESS OR IMPLIED WARRANTY WITH RESPECT TO THE SERVICES, INCLUDING WITHOUT LIMITATION, ANY WARRANTY (I) OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR USE, SUITABILITY, OR NONINFRINGEMENT; (II) RELATING TO THIRD-PARTY PRODUCTS, SOFTWARE OR SERVICES; (III) OF ERROR-FREE OR UNINTERRUPTED SERVICES; OR (IV) REGARDING RESULTS TO BE OBTAINED FROM THE SERVICES.

11. Limitation of Liability

Agility's aggregate liability to Customer for actual damages from any cause whatsoever arising out of or relating to this Agreement, including any Order, will be limited to an amount equal to twelve months' fees paid by Customer allocable to the Service giving rise to the cause of action; such liability, if any, will be limited to those fees paid in the twelve month period immediately preceding the incident giving rise to the cause of action. This limitation will apply regardless of the form of action, whether in contract or in tort, including negligence.

Should Customer's use of the Services as contemplated by this Agreement be determined to have infringed, or if, in Agility's reasonable judgment, be likely to infringe any intellectual property right, Agility may at its own option and expense: (i) procure for Customer the right to continue use of the Services or the relevant part thereof; or (ii) replace or modify the Services or relevant part thereof to make the Customer's use non-infringing. If neither of the above options are or would be available on a basis that Agility, in its sole discretion, finds commercially reasonable, then Agility may terminate this Agreement and Customer shall on receipt of written notice from Agility to do so immediately cease to use the

relevant Services. In such circumstances, Agility shall refund any Fees paid under this Agreement that relate to the period after the date on which Customer's use of the Services ceased, which refund shall be Customer's sole remedy under this Agreement with respect to such termination.

Agility accepts no liability whatsoever for any information or advice it may provide regarding use of third-party copyright outside use within the Services or otherwise. Customer shall indemnify, hold harmless and defend Agility against all claims, liabilities, costs, expenses and damages that arise in connection with (i) any breach by Customer or any end-user of Customer of any third-party intellectual property rights or laws; and (ii) any failure by Customer to comply with all applicable laws and regulations regarding the use, transmission, handling, security and privacy of any Content.

In no event will Agility be liable for incidental damages, indirect damages or consequential damages, or for any lost profits, revenue, data, business or use, even if Agility has been advised of the possibility of such damages. The remedies provided in this Agreement are Customer's sole and exclusive remedies.

12. Miscellaneous

- (a) Assignment/Subcontracting. Customer may not assign, sub-contract or otherwise transfer this Agreement without Agility's prior written consent. Nothing in this Agreement, however, shall prevent Agility from assigning, sub-contracting, or otherwise transferring this Agreement to any third-party whatsoever.
- (b) Authority. The parties agree that any individual employed by Customer who requests changes to or additions to the Services or this Agreement has authority to do so unless otherwise advised in writing to the contrary by Customer.
- (c) Cooperation. Customer shall cooperate with Agility in all matters relating to the Services.
- (d) Customer Support and Training. Agility offers reasonable support and training to Customer as necessary for Customer to comprehend and use

the Services effectively but reserves the right to charge for any support and training. Agility will not charge for any support and training until Customer and Agility have agreed to the applicable fees in writing.

- (e) Dispute Resolution Procedures. The parties will attempt to resolve through good faith discussion any dispute that may arise under this Agreement. Any such dispute may at any time, at the election of either party, be referred to a senior executive of each party for discussion and possible resolution. If the senior executives are unable to resolve the dispute within 30 days after delivery of written notice of the dispute from one party to the other party, then either party may pursue any process or remedy available by law. The above will not prevent either party from resorting immediately to judicial process if injunctive or other equitable relief from a court is necessary to prevent injury to such party.
- (f) Entire Agreement. This Agreement constitutes the entire agreement between the parties, and supersedes all proposals or other prior agreements, oral or written, and all other negotiations and communications between the parties relating to the Services. Headings are for reference only and do not affect the meaning of any term of this Agreement. Any reference to a purchase order or similar documentation on an invoice or other acceptance thereof is solely for Customer's convenience in record keeping, and no such reference or the provision of Services to Customer shall be deemed an acknowledgment of or a agreement to any terms or conditions associated with any such purchase order or other Customer-provided documentation. Any such associated terms and conditions shall be of no force and effect, and shall not in any way be deemed to amend, modify, supersede, alter or supplement this Agreement. If there is any inconsistency between the terms and conditions of these Standard Terms & Conditions and those of an Order and/or supplement, the Order and/or supplement, as applicable, shall control, unless specifically set forth therein to the contrary.
- (g) Force Majeure. Neither party shall be liable for any default or delay in the performance of its obligations under this Agreement if and to the extent such default or delay is caused, directly or indirectly, by reason of fire, flood, earthquake, elements of nature or acts of God, riots, civil disorders, rebellions or revolutions in any country, strikes, lockouts or labor difficulties, any failure in electrical or air conditioning equipment, power outages, disruptions of network or telecommunication systems, unavailability of parts, or any other similar cause beyond the reasonable control of such party.
- (h) Governing Law and Jurisdiction. This Agreement will be governed by and construed in accordance with English law regardless of the laws that might otherwise govern under applicable choice-of-law principles. If any provision of this Agreement is held invalid, illegal, or unenforceable, the remaining provisions will continue unimpaired. The parties consent to the jurisdiction of the courts of England with respect to any legal proceedings in connection with this Agreement.
- (i) Non-Exclusive Agreement. Nothing in this Agreement precludes Agility from carrying out the Services or any similar services for any other person, firm or entity.
- (j) Notices. Unless otherwise indicated or agreed upon, all written notices which are required or may be given pursuant to this Agreement must be sent by certified mail or by a recognized courier service such as Federal Express or UPS, and delivered, to the address provided in the Order (which address may be modified from time to time).
- (k) Relationship of the Parties. Nothing in this Agreement shall be construed as creating a joint venture, partnership or agency relationship between the parties.
- (l) Waiver. No waiver by either party of any default will be deemed as a waiver of prior or subsequent default of the same or other provisions of this Agreement.
